

DOUBLE-VOLTMETER 2EQ

- Measuring of 2x AC voltage
- DIN size 96x96
- Exchangeable scale
- Classe 1,5

Application

The 2EQ is a switchboard-mounting measuring device for measuring of 2 AC voltage. The instruments are adjusted for frequency range 16...65 Hz.

Measuring range

Type	Size(mm)	Measuring range- V ¹
2EQ96	96 x 96	0V...600V ²

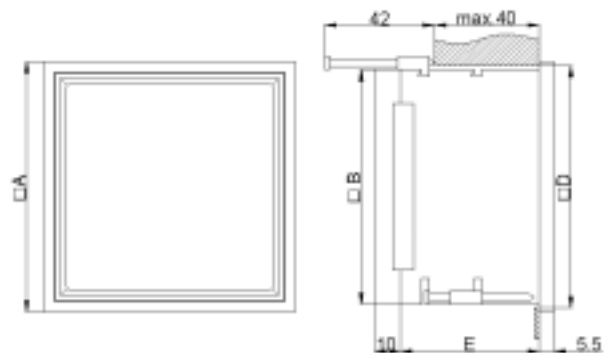

1) Standard measuring ranges: 1-1,5-2,5-4-6- multiples of 10

2) Higher ranges: for use exter. voltage transformer-/100V;-/110V

Technical data

Skale:	2 parallele 90° - Scale
Overload:	2-tims overload, 10-times for 5s
Accuracy:	classe 1,5 EN 60051 IEC 51
Burdens :	Voltmeter ca. 1,5..4VA per system
Measuring range:	50 oder 60 Hz
Case:	Plastic, self-extinguishing (ULV94/V0)

Size

Type	2EQ96
A Size	96x96
B Innenmaß	90x90
D cut out + Toleranz	92x92 0,8
E deep	118
